

RE: 5th Annual “Fight the Battle Within” Run/Walk

To Whom It May Concern:

The South Texas M.S. Council (“STMSC”) is a non-profit organization helping to improve the quality of life for those suffering from multiple sclerosis in the Rio Grande Valley. Multiple Sclerosis is an autoimmune disease that affects the central nervous system. Essentially, the body begins to attack itself and eat away at the protective covering of the nerves thereby causing messages from the brain to the limbs from reaching their destination. Multiple Sclerosis is called an invisible disease because despite looking absolutely normal on the outside, the battle is within.

On March 23, 2019 STMSC will be hosting the 5th Annual “Fight the Battle Within” Fun Run/Walk. We are asking for your help to fund the expenses of hosting this event. We are in need of financial contributions, water, drinks, snacks, ice and ice chests. This will help us to pay for t-shirt for the participants, refreshments and prizes. In return, we will make sure that your organization is given credit at the event, as a supporter on t-shirts and other event announcements.

We thank you in advance for your support to help us fight the battle within!

Best Regards,

South Texas MS Council
